

**The Government
Has Announced
A Major New Benefit
For Homeowners
With FHA Mortgages**

The Federal Housing Administration recently released details of a program that will reduce costs for hundreds of thousands of homeowners. The word has not yet reached many

who are eligible for the program. If you are a homeowner that has an FHA mortgage, you may be eligible for a special reduced documentation refinance program which lowers standard FHA insurance charges by as much as 75%.

This FHA Streamline Program is in place for a limited amount of time and not everyone qualifies for the discounted rates. To find out whether you qualify and by how much you can lower your payment, contact us right away at _____ . We are expected to get very busy as word gets out — so time is of the essence.
