

## The Government Has Announced A Major Expansion Of The Home Affordable Refinance Program

**F**or the first time ever, many Americans are eligible to refinance their home mortgage at today's record low rates even if they owe more on their present mortgage than the home is worth. It is

expected that hundreds of thousands of Americans will take advantage of this unique opportunity to lower their payments, build up equity or move to a secure fixed rate mortgage from an adjustable. Not everyone will qualify for this newly expanded program. We can help determine whether your loan qualifies for the Home Affordable Refinance Program as well as helping you determine if you will benefit by refinancing. As the experts in the world of home finance, we will be happy to set up an appointment to explain the program and, if so, expedite your application. **Contact us as quickly as possible because many lenders are already getting backed up from the rush of people wanting to put themselves in a better financial situation.**
