

# Less than perfect credit? *Yes You Can!*

- ➔ Low mortgage rates and low home prices have made owning the most affordable in a generation.
- ➔ If you have equity in your home, accessing it may give you cash to lower your payments;
- ➔ You may be afraid that credit issues will keep you from accessing these great housing opportunities.

## **We Can Help!**

We will assess your qualifications for free. And if you can't qualify now—we will put you on the road to future success. Doing nothing now will give you no results later. Guaranteed.
