

Interest rates are at their lowest levels in history

***With so many choices-
how can you be sure
you will select the right
mortgage for your
financial situation?***

**Such an important
decision should not be left
open to chance.

Special Report
Time to Refinance?
*Here Are The Reasons...***

- *Lower your monthly payments* by hundreds or even thousands of dollars
- ◆ *Obtain cash* to pay off debts, start a retirement plan, pay for college or a multitude of other uses
- ◆ *Build-up equity* for retirement more quickly
- ◆ Move from an adjustable rate or balloon program to the *security of a fixed-rate mortgage*
